

Welcome to Omnia Homes

Thank you for allowing the opportunity for us to present a Sales Quotation for your new home.

We have been building homes for over 20 years and are proud to be able to offer all our customers with the transparency they deserve.

From initial contact to the completion of your new home, Omnia Homes will be with you every step of the way.

With our Downloadable Sales Quotations, everything is upfront, meaning no surprises.

Whether you visit our website, contact us via phone or email, meet us in person or just pop into our office to say hello, we pride ourselves on ensuring our customers feel welcome and are provided with a level of customer service above and beyond their expectations.

Purchased land and are looking for a New Home Design? Considering a Knock Down Re-Build on your existing property? Or perhaps looking for a House and Land Package, Omnia Homes will help you achieve your goals.

Although we have over 45 Home Designs to choose from, we understand that sometimes families have certain unique requirements, that is why we are happy to customise any of our Home Designs to fit your every need.

At Omnia Homes we are not satisfied until you are. It is that simple.

We look forward to hearing from you and would love to be a part of your new home journey.

Remember to ask your Sales Consultant about our Bonus Promotion as it is available for a limited time only.

Thank you.

The team at Omnia Homes.

Hello from Omnia,

The Norfolk is a stylish and light filled four bedroom home that will appeal to everyone in the family.

With three living areas and a capacious study, there is ample room for entertaining all. There are many reasons why the Norfolk is one of our most popular homes.

Fixed Price Building Contracts

Our belief is that Signing a Building Contract for your new home is a big deal. That's why we put extra effort into giving our customers a real understanding of the contract they are about to sign. By going over the Sales Quotation, Building Plans and Colour Selections carefully with our customers, we can be confident that our customers are ready and have a true understanding of the whole process of building their new home from start to finish.

Guaranteed Site Start & Completion Date

Moving into a new home is exciting but of course requires planning. We value everyone's time and we focus on planning and scheduling with our customers thoroughly. This priority allows everyone to organise themselves well in advance and lets us provide certainty to our customers by being able to offer a guarantee on when your home will start and finish.
